Highlights

Total access to iPhone

The openings on this case allow total access to all iPhone controls, dock connector and camera, so you can fully utilize iPhone while it's protected inside the case.

Shock-absorbing case

This case is made out of thermoplastic polyurethane which is a high-performance elastomer to add both grip and shock-absorption in one unique case.

Slim, pocket-friendly design

The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.

Wrap-around protection

The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.
